Year 12 Rotary Interviews

Inverell East Rotary Club members conduct mock job interviews with our Year 12 students each year. The Rotarians hire a coach and travel out to Ashford. We provide them with dinner and they then conduct a normal Rotary meeting. Following this, the Rotarians conduct a mock interview with our Year 12 students for a job/career the students have nominated.

The situation is very friendly and non-threatening with several teachers there to offer confidence and support. Several of these students will be looking for permanent or casual employment from next term. The more practices they have, the better they will perform when it matters.

Students need to be at the Hall by 6.30pm on the night of Tuesday, 7th October, the first day of Term 4. They need to be beautifully groomed and wearing clothes suited to their chosen job. The evening finishes at approximately 9.00pm.

The Rotarians always comment on what impressive young adults our Year 12 students are. We thank them, in advance, for their generosity in running these interviews each year.

**YEAR 12’S LAST DAY**

As part of Year 12’s final day at Ashford Central School, students of Year 12 have decided to raise money for school resources.

In doing this, Year 12 are calling on donations from secondary students, teachers and family members.

Commencing at 1.45pm after our last assembly and lunch with family and staff, a series of ‘Ice Bucket Challenges’ will take place on the Secondary Oval.

For $5.00, secondary student, teachers or present family members can tip a bucket of ice water on their chosen Year 12 student’s head. For $2.00, secondary students can witness Year 12 students tip an icy bucket of water on agreeable teachers’ heads AND Principal Mr Lewis! Only those students who have made a donation can watch the challenges.

Year 12 would like to thank those who donate, as well as the teachers and Mr Lewis for agreeing to our cause.

Please bring your money and help Year 12 give back to their school!

**Dylan Corbett** was awarded the ‘Gary Smith’ most promising Inverell U16s player of the year at the Inverell Minor League’s presentation on Sunday.

Congratulations Dylan!
PRIMARY SPORT

JUMP ROPE FOR HEART

What a fantastic time was had by all students who participated in Jump Rope for Heart last Friday. It was great to see everyone having fun showing off the skipping skills they had learnt and trying out some new tricks while grooving to the music. Thanks to the fabulous helpers from Yr 5/6 who helped man stations in the Infants jump off and to the Secondary students who helped out with the Primary students. This year we had 12 students master the egg beater, which was great!

It was disappointing that before the jump off only 34 students had returned their forms and money – this amounts to just over a third of all Infants and Primary students. Class statistics were as follows: K/1: 6 out of 16 returned, Year 1/2: 16 out of 23 students returned (our best class), Year 3/4: 9 out of 32 students and Year 5/6: 3 out of 21 students. This is not very encouraging for the organisers who put so much effort into organising these events. EACH student needs to return their Sponsorship Form even though no money has been raised – simply write ‘no money raised’ on the form and return it to school please! The longer it takes to get all the forms in, the longer it will take to finalise and submit our results and the longer it will take for students to receive their prizes.

At the close of school business on Tuesday we had raised $1753.40, which is fantastic! Not only did we achieve our goal of $1500.00 but we surpassed it! Well done! Thanks to all those students who raised money and in doing so thought of helping others in need. I am sure that the Heart Foundation will appreciate the donation and put it to good use.

BASKETBALL CLINIC

Our school has once again been selected by Aboriginal Sports Development for a basketball clinic. This will take place during school hours on Wednesday, 17th September, for all Year 3-6 students.

PREMIER’S SPORTING CHALLENGE

This is the last week of the Premier’s Sporting Challenge – can you believe it?

All recording sheets must please be returned on Friday so that everyone’s data can be updated and recorded.

Thanks to all those parents/carers of Infant students who took the trouble to write up their child’s daily physical activity and get them to return the recording sheet to school each Monday. These sheets will be used to determine your child’s success in completing the program and will therefore determine whether they receive a certificate of participation.

It has been pleasing to see so many Primary students take up the challenge.

Through participation and the successful completion of the program, the school receives funding grants to purchase sport equipment which benefits the students at our school.

Photographers’ Rewards Day

Year 11 and 12 photography students Brylon Benson, Jesse Kliendienst, Breanna Krauss, Claudia Burbury and Dylan Littlehales travelled to MacIntyre Falls and Lemon Tree Flat on the 11th of September to expand their photography skills and portfolio of images.

With their cameras in hand, the students stopped, started, paused and ran to gain the best photograph. It was a fun and enjoyable day, exploring and soaking up the beautiful sun’s rays.
The Ashford Rugby League Club has their first team into a Grand Final since reforming in 2013. The Ashford Chicks won the right to appear in the Grand Final at Moree on Sunday 21st September, with a hard fought victory over Glen Innes. The girls won 14 to 10 in the second period of extra time. Playing the second placed Glen Innes girls on their home ground was always going to be a tough assignment. Our girls were brilliant and, despite the closeness of the score, they were always the side that looked likely to win.

They led 6-4 at halftime and 10-8 with less than a minute remaining in normal time. With just seconds left in extra time, Glen Innes kicked a penalty goal from right in front of the posts, to take the match into extra time where golden point rules applied.

The first 5 minutes of extra time were dominated by the Ashford Chicks who had Glen Innes pinned on their goal line. But the score remained 10 all.

The second period of extra time was unlimited and both sides played until one team scored a point. After 7 minutes of Ashford again dominating territorially, Vannessa Alexander made a short break from dummy-half and threw a beautiful pass to Leticia Hartley on the wing. She dived over in the corner to take Ashford to their first ever grand final in Group 19, First Division.

A large contingent of Ashford supporters who had travelled to Glen Innes to support the girls, screamed with excitement.

Although the scores were close all game, the Ashford Chicks always looked the better team and now go into the Grand Final against the minor premiers, Uralla, full of confidence.

The Ashford team was full of stars and Vannessa Alexander, Ashleigh Falconer, Kirsty O’Brien and Sacha Harrington led the team well. Nell MacDonald scored her first try of the year and played very well on the left wing. Leticia Hartley made a number of long breaks and scored the crucial last try to win the match.

The truth is it was a great all-round team performance with all 18 girls contributing to the historic victory. The girls play at Moree this Sunday, September 21st at 10.30am. We would love a huge Ashford crowd to support the girls. Wear Red, White and Blue!

A supporters’ bus will leave the Ashford Bowling Club at 8.00am on Sunday and the Tatts Hotel in Inverell at 8.45am. The bus will cost $15.00 per head. Please reserve your seat with Dave Henderson at school on 67254101. We need to know how many passengers we will have to get the correct bus.
