Congratulations

Congratulations to Harry Schneider who has been elected as the new Studec for Year 4 following Hayden Agnew leaving.

Count Us In

Music Count Us In began in 2007. It is an exciting government supported program. Each school can download the song’s lyrics and musical scores. On a set date all schools are invited to perform the chosen song. The capitol city performances can be “streamed” to coincide with school performances. The song for each year is composed by Year 11 and 12 music students under the guidance of professional musicians and performers. The song for 2014 is “Paint You A Song”. Our Primary students and the Secondary choir will perform this song and past songs at the Hall at 12.30 on Thursday, 30th October. Parents and friends are welcome to attend.
TERM 4 - Week 3

Over the next week the PBL program will be focusing on PLAYGROUND TEAMWORK. Students will be encouraged to focus on the following key areas:

🌟 Allow others to play the game
🌟 Follow the rules and play fairly

The PBL program provides positive awards to students who demonstrate a commitment to the focus areas each week. Please reinforce this at home as students are learning about it in class.
