Year 12 Rotary Interviews

Members of the Inverell East Rotary Club travelled to Ashford on Tuesday evening to conduct the annual Year 12 mock job interviews. This usually takes place late in Term 3 just before Year 12 finish their school careers and we thank the Rotarians for changing the set date to allow the girls to attend training sessions in the lead up to their league tag grand final.

The Rotarians were greeted by Year 12 students and staff for a pre-dinner chat. The interviews were then held prior to dinner.

Every year, the Rotarians have nothing but praise for our students and an enjoyable evening. We thank them for their compliments but, most importantly, for the effort they make to give our students this practice. When they have to attend a real job interview, they will have the advantage of having experienced this “mock” session.
(Rotary interviews continued)

Congratulations to our Year 12 students: Brylon Benson, Katlin Beveridge, Parker Kelly, Jesse Kliendienst, Dillan Littlehales and Katie Pintus. They looked great and were very mature in their ability to talk to unfamiliar people both socially and formally.

Thanks to the many people involved in the running of the interviews: Mrs Akhurst, Mrs Ballam, Mr Foelz, Mrs Foelz, Mr Lewis, Mr Luckett, Mrs Luckett, Mrs McCabe, Mr Smith and Year 11 students. Mr Cox made a guest appearance as cook and kitchen assistant.
GENERAL PERMISSION TO PUBLISH

Dear Parent / Caregiver,

I am seeking your permission to publish information about your child for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published include but are not limited to:

* Public websites of the Department of Education and Communities including the school website, the Department of Education and Communities intranet (staff only), blogs and wikis.
* Department of Education and Communities publications including the school newsletter, annual school magazine and school report, promotional material published in print and electronically including on the Department's websites.
* Official Department and school social media accounts on networks such as YouTube, Facebook and twitter.

Parents should be aware that when information is published on public websites and social media channels, it can be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information. Published information can also be linked to by third parties.

Please complete the permission slip and return to the school by Monday, 25th August, 2014.

Yours sincerely

Michael Lewis
Principal

JUMP ROPE FOR HEART

Melissa Howarth, a field officer from the Heart Foundation, has thanked us for our donation which we raised with our Jump Off last term.

She writes as follows: 'I thought I would write and say a HUGE THANK YOU for supporting the Heart Foundation this year. So far this year, collectively the Jump Rope for Heart program has raised over $1.6 million!'

'I am so glad that Ashford Central School chose to be a part of this great achievement, and we are so grateful for your support- raising a fantastic $1,983.60. Without schools like yours we would not be able to continue to do our lifesaving heart research. Thank you for your hard work with the program and please pass on our gratitude to all of your staff and students who were involved.'

BASKETBALL CLINIC

On the last Wednesday of last term Years 3-6 students were treated to a basketball clinic offered by Aboriginal Sports Development. Our students had a great time learning and practising their basketball skills which involved dribbling, passing and shooting. It looks like we have some promising basketballers too! The skills that our students displayed were impressive.

NSW PREMIER'S SPORTING CHALLENGE

Certificates for all students that successfully completed 10 weeks of physical activity will receive a NSW Premier's Primary School Sport Challenge Award certificate in December. Congratulations to Year 3/4 who accomplished an average of 576 minutes of activity time which earned them a Diamond Award overall. Year 5/6 was not far behind with an average of 550 minutes which earned them a Gold Award. Well done to these 2 classes for taking up the challenge!
