K/1 Mosaic Fruit Bowls

K/1 are currently participating in a HSIE unit called 'The Things We Need'. Students are learning about foods they need on a daily basis to keep their bodies healthy. This art lesson was inspired by our lesson on healthy foods. The students used oil pastels, coloured paper and paint to create their artworks. Here is a selection of artworks from our lesson.

• Do you have an idea or project in need of funding that will inject life into your local town?
• Are you aged 35 or under?
• Do you have a local organisation you can partner with to delivery your project?

If you answered YES to all of these points - you are eligible to apply.

The RAS Foundation Community Futures Grant Program encourages and champions rural youth leadership through the provision of up to $25,000 to fund community projects that address a need or issue in your town.

We fund projects in rural and regional NSW that will result in enhanced social and economic outcomes for the wider community.

Closing date 8th December 2014 at 5.00pm.

The Ashford Business Council would like to encourage applications for this funding. KCL Family Day Care

KCL Family Day Care is looking to speak with anyone who might be interested in starting Family Day Care in Ashford. We are a supportive service, which feels that the community could use a child care option. Family Day Care would suit the type of person who loves children and enjoys watching them grow and learn. We can help with set up costs and provide comprehensive training, support and access to formal qualification to help new Educators get started. If you have thought about looking into becoming an Educator but have thought it’s all too hard, please give us a call and have a chat about it and see if we can make it work for you.

We are also interested to talk to anyone who would be suitable to work as an In Home Care Educator in the Ashford area. In Home Care is where care is provided to one family from the family’s home. The regulations and standards are very different to family day care, but the same child care concept applies. Obviously, there would be some travel involved in this type of position, so a drivers licence and transport are a must.

More information can be found on our website: www.kcl.com.au or call us on 67211811.
