Senior Photographers explore travelling waterbird photo exhibition.

On Friday, 14th March, Ashford Central School senior photography students visited the Ashford Aboriginal Lands Council which is currently hosting the travelling waterbird photo exhibition. The exhibition celebrates the large-scale breeding of colonial nesting waterbirds that occurred in the Gwydir Wetlands, during the summer of 2011-2012.

Students took the opportunity to observe and investigate the exhibited photographs, which exposed them to professional aspects of photography. Students developed knowledge, skills and understanding of the different meanings that photographs can have and an appreciation of their material and virtual properties. The students thoroughly enjoyed the exhibition.

Throughout the photography course it is important for these students to develop a visual literacy, a basic vocabulary used in formal analyses in the visual arts and to combine content with formal analysis to ‘read’ photographs. This process encourages students to become better photographers and inspires their own photographic practice.

I highly recommend that everyone, if they haven't already, visits this well displayed exhibition.

Thank you to the Ashford Aboriginal Lands Council.

Premier’s Reading Challenge
Starts NOW!!

Time to start recording your Premier’s Reading Challenge books for this year. Visit the website (just google premier’s reading challenge) for booklists or to record your books online. Teachers will have paper copies of recording sheets if you don’t have access to a computer. Mrs Selig also has lots of PRC books in the library. Let’s see how many certificates we can get this year.

Kinder – Year 2 need to read a total of 30 books, 25 from the Premier’s reading list and 5 books of their choice.

Year 3 – Year 6 need to read a total of 20 books, 15 from the Premier’s reading list and 5 books of their choice.

Books which parents read to children can be included. Contact class teachers if you need help.

Fostering a love of reading and good reading habits is vital for all students of all ages.

The more you read the more you know, the more you know the more you grow!
Voluntary School Contribution

In an effort to simplify the payment of money to the school for visiting performances, books and school contributions, the school introduced a system of a one off payment for all costs for the year. This system was introduced in 1995 with the support of the P & C and AECG. The big advantage to parents is that they get a considerable saving by paying the one off levy.

The advantage to the school is the reduction of interruption to teaching time and more effective use of clerical time.

The school benefits from Equity Funding and many programs in the school are subsidised.

The Voluntary School Contribution does not cover the cost of excursions during the year.

The contribution for each class is as follows: Kindergarten to Year 6 is $40.00 per year, Year 7 to Year 12 is $40.00 per year.

Secondary Subject Contribution:

There is a family discount for families with more than two children attending Ashford Central School. No family pays more than their eldest 2 children's levy. The levy can be paid off on a term basis if you wish. If there is genuine hardship and families cannot pay their voluntary contribution, they are asked to contact the Principal for an interview.

The contribution covers free ambulance, books, paper supplies, art and craft materials, text books, visiting performances (three per year), PSSA and CHS fees, Life Saving Awards and Life Education Van.

At a P&C meeting at the end of 2007, a parent reported hearing a number of parents discussing “voluntary school contribution”. They were saying it was cheaper to pay for the visiting performers at the time of the show.

This is in fact true, but, if you choose to do this you are making no contribution for books, paper supplies, art and craft materials, text books, Life Education van, PSSA/CHS fees etc. In 2012, the school spent $101,527 on such items or about $580 per student.

Asking parents to contribute $40 per student does not appear unreasonable and represents exceptional value for money. Payments can be made at the office at any time. Several parents have already made payments for 2014.

PRIMARY SPORT  WINTER ZONE TRIALS
Congratulations to Joe Luckett who was selected for Zone during the 11s Rugby League Trials last Friday. Also Amber Kliendienst and Dannica Charles who successfully made it into the Primary Girls’ Soccer team. Joe will now go on to try out in the Northern Rugby League trials on 1 April and the girls will play in the Regional Football Trials on 27 March.

NETBALL
The Department of Education and Communities, Sport and Recreation Division, will be running a netball clinic for all Year 3-6 students on 27 March. This is a great opportunity for our students. Could parents please ensure that students wear joggers to school that day.

TRIATHLON
The NBN Television Triathlon will be held on Saturday, 22 March. Besides the main event, there will also be a Junior Triathlon held for those in the under 7-9-11-13&15 age groups. Athletes can participate individually or as a team. Further information can be found in the school newsletter and entry forms are available from the front office at school.
The NBN Television Inverell Triathlon will be held on Saturday 22nd March, 2014 commencing 4.00 pm and will comprise a 400m swim, 18km cycle and a 5km run.

The swim will be in the Inverell Swimming Pool. The cycle course is along Lawrence Street turn right into Byron Street and out on to the Ashford Road and return. The run consists of one lap of the Macintyre River Walk. A Short Course race will also be run consisting of a 200m swim, 10km return ride on Ashford Road and a 2km run.

**Transition Pre-School Program**

Ashford Central School is again running the Transition Pre-School program on Mondays. This program has been running for a number of years, and is an extra day at pre-school for students who will be starting Kindergarten in 2015. The day is free for these students, as long as they attend the pre-school at least one other day of the week.

The program began this week with many excited children. The program will run every Monday during the school term. If you have any questions, please contact the school for further details.

WELL what can I say. Nothing but DISAPPOINTMENT with the community. Someone has again tried to break into the centre. There is nothing for anyone to steal. We only have tea, coffee and biscuits, no money on the premises. We have had the Forensic Police over from Armidale to take fingerprints so let us hope we can catch whoever it may be. I am saddened by all this: 1. Burning out the ladies’ toilet. 2. Trying to break into the store room and wrecking the toilet roll holder in the men's toilet. 3. Graffiti on the wall in the men's toilet. 4. Now trying to break into the front screen and roller door. These things cost money to repair which we have not got. Why ruin it for the people who need this service to rest and make their travel safe? From the DEN  Lion Helen

Roosters Break Through

The Ashford Roosters broke through for their first, first grade win on their home ground on Saturday, March 15. Ashford played Goondiwindi Boars who are entering Group 19 in 2014 in a trial game and won 34-14.

The Ashford first grade team looked a much stronger side than last year, with a number of new faces, but some of last year’s players also looked more confident and have benefitted greatly from last year’s experience of a year in first grade.

The Ashford reserve grade team also won 20-14 despite being down to 12 players after just three minutes when their captain coach, Dean Beveridge, was sent off. It was a tremendous effort to play 57 minutes with just 12 men and win the game. The Ashford team had 27 players for reserve grade on Saturday and a fresh 17 for first grade.

Player numbers are very good this year and, if we continue to improve with experience, Ashford should be able to field two strong teams in the men’s grades in 2014.

To top the day off, an under strength Ashford Ladies League Tag team had a strong come-from-behind 20-12 victory in their match. With five of their more experienced players unavailable, the Ashford girls played with great composure to win the match.

The Ashford girls are looking like a very strong combination and may well be in contention to make the semi-finals this season.

It is the first time in the Ashford club’s history that we have recorded three victories in the one day. Congratulations to all involved!

The Ashford first grade team play in the Group 19 season launch at Moree on Saturday, 22nd March.

Our first competition game is at Ashford against Tingha on Saturday, 5th April, 2014. Ashford believes we will field three competitive sides on that day and we would love to see a large home crowd at Ashford for our first home game when we take on one of the favourites for the 2019 Group 19 premiership.

Social Support
Recognising that hardships like drought can have significant impacts on
the mental health and wellbeing of farmers, farm families and communities,
the Australian Government is providing up to $10.7 million to increase the

Assistance for farm businesses to manage pest impacts in
drought-affected areas
The Australian Government will contribute $10 million, primarily in
Queensland and New South Wales, to help reduce the impacts of wild dogs
and other pest animals and manage total grazing pressure in drought
affected regions. This will be delivered through local natural resource
management organisations.
Web: daff.gov.au/assistance

The Australian Government supports farm families and farm businesses in managing and recovering
from periods of hardship, including drought, and assists them in preparedness and future planning.
On 26 February 2014 the Prime Minister, the Hon. Tony Abbott MP, and the Minister for Agriculture,
the Hon. Barnaby Joyce MP, announced a package of measures offering financial, social and mental
health support to farming families, farm businesses and rural communities suffering from drought.

Measures include:

Interim Farm Household Allowance
(Interim FHA)
Interim FHA will help farm families with their
daily living expenses and is available to eligible
farmers Australia-wide, without the need for a
drought declaration.

Like the Transitional Farm Family Payment, the
Interim FHA will be paid at a fortnightly rate
equivalent to Newstart Allowance. However, the
Interim payment will have a different asset test
so that more farmers, including those affected by
drought, will be able to access income support
when they need it.

Payments under the Interim FHA commence from
3 March 2014 for new applicants.
Existing Transitional Farm Family Payment
recipients as at 28 February 2014 will be
automatically transferred to Interim FHA so they
don’t have a break in payment.
The Interim FHA will be available until the
permanent Farm Household Allowance (FHA)
is implemented on 1 July 2014.

To avoid a break in payment, recipients of
the Interim FHA who wish to claim FHA
will be eligible to receive payment until
30 September 2014 or until their application for
FHA has been finalised, whichever is earlier.

Phone: 13 23 16 (Monday to Friday, 8am to 8pm EST)

Drought Concessional Loans Scheme
The Australian Government is offering up to
$280 million in concessional loans to eligible
drought-affected farm businesses for debt
restructuring, operating expenses and drought
coverage activities. Drought concessional loans
will help farm businesses recover from the effects
doing and return to profitability in the long
term. Loans of up to $1 million, or 50 per cent of
the farm business debt, whichever is lower, will
be available.
The Australian Government will work with the
jurisdictions as a priority to finalise application
requirements and delivery arrangements for the
scheme. More information on the roll-out of the
scheme will be available shortly.

Additional funding for water-related

Drought-affected farmers in Queensland and
