MILO T20 CRICKET
Unfortunately, due to a lack of interest from other schools, the Milo T20 Cricket Day which was to be held on Wednesday, 16 September, in Inverell was cancelled. We were, however, fortunate to have Kathy Barber, our regional cricket development officer, visit our school and offer a day of cricket skills and games for all students in Years 3-6. The day was marred by thunderstorms, causing activities to be set up under the COLA, but students nevertheless still had a great time circulating between three games to practise batting and fielding skills before lunch and then finishing off with a game of T20 after lunch. The day ended with a cup of milo.

PREMIER’S SPORTING CHALLENGE
The challenge is over and the results are in!
Kindergarten: Gold award received by students who participated which equated to 48% of the class.
Year 1&2: Gold award received by students who participated which equated to 59% of the class.
Year 3&4: Bronze class award with 39% of the class participating.
Year 5&6: Gold class award.
Well done to Year 5&6 students, who all but one, competed in the challenge.
The school has been able to purchase much needed gymnastics equipment with the Premiers Sporting Challenge grant that was received because we took part in the challenge. Thanks to all the parents who encouraged their children to become more active and for filling in the home monitoring sheets each week.

ATHLETICS COACHING CLINIC
We have received a flyer from Little Athletics NSW regarding coaching clinics to be held in Tamworth for Junior athletes (U9-U11) on Saturday, 24 October. Junior athletes will complete a set program consisting of sprints, hurdles, long jump and discus at a cost of $45.00 (early bird price).
A clinic is also being held for senior athletes (U12-U17) on Sunday, 25 October where athletes select one event out of sprints, hurdles, throws, pit jumps, high jump or middle distance.
Flyers have been given to all students who were selected to participate at the Primary Zone Athletics Carnival. If there are any other students that are interested in attending either the Primary or Secondary clinic, please contact Mrs Corbett. The closing date for entries is Sunday, 18 October and numbers are strictly limited.

Permission Notes

Permission notes are now available on the school’s website. If your child misplaces their note/s, you can print a new note for them from this site. Just google Ashford Central School. There is a tab across the top called Permission Notes. By clicking on this tab you can find where to print the permission notes from.

Due to security breaches, the locks on the school’s gym in the COLA have been changed and any community keys will no longer be of any use!

Keys will no longer be issued to the public.

Sapphire City Fun Run

When: Sunday 11th October 2015
Where: Campbell Park (near Coles)
Events: 2.5km, 4.6km and 9km walk or run
Registration: Starts at 8.30 a.m
Cost: 2.5kms Under 12 years - $2.00
      Over 12 - $5.00
      4.6kms 15 years and under - $5.00
      Over 15 years - $10.00

Studec would like to encourage all students to participate in this event. A prize of $150.00 is awarded to the school with the most number of participants per capita. When registering, let the organisers know that you are representing Ashford Central School. It is a great family day out with markets and other entertainment available. It is also a fantastic way to encourage fitness. Ashford Central won the highest participation rate by a school in the inaugural fun run.

To the Yr 11 Hospitality Students

Dear Mrs Luckett,
Paige, Summer and Jarred.
Thank you all so much for cooking such a lovely dinner for us last night. We enjoyed it very much. You did a wonderful job and we were very proud of you all. Thanks.

Northern Lights Energy Efficiency

Northern Lights Energy Efficiency Education Officer, Pete Stanley, comes to groups of people all over the Northern Inland area to deliver information on how to improve energy-efficiency at home or at their business. There are many strategies that we can take to keep household energy costs low, and Pete says it is often the case of reminding ourselves that saving energy is as important today as saving money on groceries. Pete’s meetings are fun and relaxed and he has many brochures for you to take home on the day. He will be visiting us on Thursday 12th November at Ashford Central School time to be announced.

Peter Stanley – Regional Development Armidale

Pete Stanley worked with the community workers at The Salvation Army for almost 6 years. He most recently was the HESS (Home Energy Saver Scheme) worker and his role was to visit clients at their homes to discuss energy-saving, energy efficiency, and to advocate for them if they had financial or other difficulties with their account or indeed with their whole family financial situation. When his Salvation Army contract finished in June 2014, he was fortunate to be taken on board by Rural Development Australia in the part-time (3 days per week) role of EEEO Energy Efficiency Education Officer under the Northern Lights Project of the RDANI. He now comes to groups of people to deliver information on how to improve energy-efficiency at home or at their business, and he is grateful for any community organisations to supply such client groups. He is also keen to have a presence at any town or community event such as markets, fairs, expos, neighbourhood centres etc where the community congregates.

He has a secondary role to communicate and disseminate information amongst councils and the general public regarding the 2015 implementation of the LED street lights replacement scheme which has already commenced in many of our towns in the Northern Inland Region.
THE LIONS’ CORNER

LIONS: Meeting
We meet on the first Tuesday of each month
