**Transition Pre-School Program**

Ashford Central School is again running the Transition Pre-School program on Mondays. This program has been running for a number of years, and is an extra day at pre-school for students who will be starting Kindergarten in 2016. The day is free for these students, as long as they attend the pre-school at least one other day of the week. This additional day is only available as the school has used some of its funding to provide an extra pre-school day.

The program will run every Monday during the school term. If you have any questions, please contact the school for further details.
Dear Parent / Guardians

Your child has elected to take Hospitality in 2015. This subject will be delivered locally at Ashford Central School by Mrs Luckett.

**Important information**

Industry curriculum frameworks provide students with the opportunity to gain *industry-recognised national vocational qualifications* under the Australian Qualifications Framework (AQF) as part of their NSW Higher School Certificate (HSC).

Students will be working towards a Statement of Attainment – Certificate 2 Hospitality – Kitchen Operations. **Requirements for satisfactory course completion**—there must be sufficient evidence that the student has:

- followed the course developed by the Board
- applied themselves with diligence and sustained effort to the set tasks and experiences provided in the course
- achieved some or all of the course outcomes
- undertaken the mandatory work placement.

Students may need to spend additional time practising skills in a work environment and completing projects and assignments, in order to fulfil Training Package assessment requirements.

**Work placement requirements**

*Work placement is a mandatory HSC requirement within this Framework and appropriate hours have been assigned to each HSC VET course.*

**Fees**

Due to administration and purchasing requirements in Hospitality, cooking fees will be required to be paid in advance, each term. A discount will be offered if this fee is paid by Week 2 of each term. Fees must be set at a fixed rate as ingredients need to be purchased in advance. With changes in purchasing requirement of DEC it will be necessary to bulk buy ingredients. These subjects are elective subjects and students are required to pay for the ingredients that are used.

</tr>
</tbody>
</table>

**Uniform requirements**

Students are required as part of their course to wear a chef uniform and closed in leather protective footwear in all of their practical experiences. The school has a class set of chef uniforms that will be available for students to wear but will remain the property of the school. The school plans to buy a class set of protective shoes which will be worn in practical lessons, work placement and catering functions. If the students continue with Hospitality for the two years, these shoes will then become the property of the student. The uniform hire includes the purchase of the protective footwear and the laundering of the chef uniforms.

**Book requirements**

Students require two lever arch folders with lined paper and plastic sleeves. One folder is for current work and the other folder will be used for their marked work. Students need to keep their work until the end of Year 12.

Please let me know if you have any difficulties with the fees or have any queries regarding this course. Mrs Luckett
**3 SCHOOL LOCKERS STILL AVAILABLE**

**TO ALL YEAR 7-10 FOR 2015**

Lockers are available for any **SECONDARY** students wishing to apply. The period of hire will be December, 2014 until December 2015. A key deposit fee of $10.00 applies. This will be refunded upon return of the key at the end of 2015. Any student who loses his or her key will forfeit the fee to allow for the cost of replacing the key. Students wishing to apply for a locker must bring the $10.00 fee to the school office by Wednesday, 17th December. Lockers will be allocated on a first in best dressed basis.

**Food Technology Fees**

Dear Parents / Guardians

Your child / children have **elected** to take Food Technology in 2015. The students have a practical lesson each week where they learn valuable cooking and nutrition skills and enjoy eating their meal afterwards.

Due to administration and purchasing requirements in Food Technology, cooking fees will be required to be paid in advance, each term. A discount will be offered if this fee is paid by Week 2 of each term. Fees must be set at a fixed rate as ingredients need to be purchased in advance. These subjects are **elective subjects** and students are required to pay for the ingredients that are used. This fee is also subsidised by the school. Students need to bring a container each week.

The fees for 9/10 Food Technology for **each** term are as follows:

Students are required to pay for the ingredients that are used. This fee is also subsidised by the school. Students need to bring a container each week.

PRIMARY SPORT

SWIMMING

Infants and Primary swimming will start on Friday, 20 February. Pool entry costs $2.00 unless the student has a season pass.

Students will need to bring swimmers, a towel and HAT. Please make sure ALL clothes and towels are labelled for easy identification. Students must please bring their swimmers to school in a plastic or waterproof bag.

If your child is not going to swim on the day, they must have a note to excuse them from participating in swimming. A permission note is also required for those in Years 3-6 who wish to stay at the pool after sport.

Please note that the front office will NOT be ringing home for any forgotten swimming items.

****

Good luck to all students who will be participating in the school swimming carnival on Thursday.

There will be novelty games organised in the little pool for Infants and non-swimmers. Pre-schoolers will be given a turn to play in the little pool during breaks – parents to supervise.

The Zone Swimming Carnival takes place on Wednesday, 18th February.

Remember there will be no school on Friday!
