**RECORDS**

There was one record broken throughout the evening:

  Old record = 14.00  
  New record = 13.72

Congratulations Dean!

**RAFFLE**

On the night, the school raffled a Sydney 6ers signed cricket bat. Thank you to everyone who purchased tickets and congratulations to Leza Luckett who was the winner of this prize.

This year, the teachers vs community members vs students’ relay was well supported and for the first time in many years the race was won by the teachers.

This year’s winning house was Severn followed by Fraser and Macintyre respectively.

Last, but definitely not least, thank you to the many people involved for their time, effort and support that went into organising and running such a wonderful carnival.

- Lloyd Cook and Belinda Krauss for the organisation and preparation of the pool and Mick Hoynes for continuing to provide the facility.
- To all of the staff at Ashford Central School for their effort and support in the organisation and running of the carnival.
- To all the parents and community members for their support of the event and to those who provided assistance when required.

To the Ashford Swimming Club for providing the opportunity for students to improve their swimming skills and fitness and to the students who participated in the evening.

Without just one of these individuals or groups, we would not be able to conduct these types of events. Once again thank you to you all, your help is much appreciated.

NRL AMBASSADOR VISIT

Next Monday, 23rd February, Andrew Ryan (former NRL player), will be attending Ashford Central School as part of Rugby League’s One Community Ambassador Program.

Rugby League’s One Community Ambassador Program services the needs of the general community by targeting areas that fall outside of the NRL club catchments. A strong focus is on regional and remote areas ensuring that Rugby League reaches and engages as many current and potential fans possible.

Ryan has been employed by the NRL since retiring three years ago, after a career comprising 291 top-grade games for Parramatta and the Bulldogs, 11 tests and 12 State of Origins.

He will be visiting our school and hosting assemblies with primary and secondary students, providing some physical skills and coaching sessions and discussing career opportunities.

PRIMARY SPORT

SWIMMING

Infants and Primary swimming will start on Friday, 20 February. Pool entry costs $2.00 unless the student has a season pass.

Students will need to bring swimmers, a towel and HAT. Please make sure ALL clothes and towels are labelled for easy identification. Students must please bring their swimmers to school in a plastic or waterproof bag.

If your child is not going to swim on the day, they must have a note to excuse them from participating in swimming. A permission note is also required for those in Years 3-6 who wish to stay at the pool after sport.

Please note that the front office will NOT be ringing home for any forgotten swimming items.

****

Congratulations to our Primary Swimming Champions: Tyson Lavender (Junior Boy), Storm Lavender (Junior Girl), Joe Luckett (Senior Boy) and Kali Lavender (Senior Girl).

The following students will be taking part in the Zone Swimming Carnival to be held in Inverell on Wednesday, 18th February: Joe Luckett, Tyson Lavender, Harry Schneider, Ben Kelleher, Storm Lavender, Rachael Krauss, Hannah Drady and Kali Lavender. Good luck to all these students.

Week 10 Term 2 – Group Activity

Term 3

This term has been allocated for the secondary students to practice for the production.
5/6 – Other activities

Week 1-6 Term 4

This program has been running for a number of years, and is an extra day at pre-school for students who will be starting Kindergarten in 2016. The day is free for these students, as long as they attend the pre-school at least one other day of the week. This additional day is only available as the school has used some of its funding to provide an extra pre-school day.

The program will run every Monday during the school term. If you have any questions, please contact the school for further details.
Dear Parent / Guardians

Your child has elected to take Hospitality in 2015. This subject will be delivered locally at Ashford Central School by Mrs Luckett.

**Important information**

Industry curriculum frameworks provide students with the opportunity to gain *industry-recognised national vocational qualifications* under the Australian Qualifications Framework (AQF) as part of their NSW Higher School Certificate (HSC).

Students will be working towards a Statement of Attainment – Certificate 2 Hospitality – Kitchen Operations. **Requirements for satisfactory course completion**—there must be sufficient evidence that the student has:

- followed the course developed by the Board
- applied themselves with diligence and sustained effort to the set tasks and experiences provided in the course
- achieved some or all of the course outcomes
- undertaken the **mandatory work placement**.

Students may need to spend additional time practising skills in a work environment and completing projects and assignments, in order to fulfil Training Package assessment requirements.

**Work placement requirements**

*Work placement is a mandatory HSC requirement within this Framework and appropriate hours have been assigned to each HSC VET course.*

**Uniform hire:** $30.00

**Uniform requirements**

Students are required as part of their course to wear a chef uniform and closed in leather protective footwear in all of their practical experiences. The school has a class set of chef uniforms that will be available for students to wear but will remain the property of the school. The school plans to buy a class set of protective shoes which will be worn in practical lessons, work placement and catering functions. If the students continue with Hospitality for the two years, these shoes will then become the property of the student. The uniform hire includes the purchase of the protective footwear and the laundering of the chef uniforms.

**Book requirements**

Students require two lever arch folders with lined paper and plastic sleeves. One folder is for current work and the other folder will be used for their marked work. Students need to keep their work until the end of Year 12.

Please let me know if you have any difficulties with the fees or have any queries regarding this course. Mrs Luckett

STUDENT ABSENCES - NEW TEXT MESSAGE SYSTEM

Starting on 18th February, ACS will be implementing a new system for student absences.

Once the morning roll has been marked, parents will receive a text message if their child was away. By simply replying to this message, the explanation for the absence can be sent directly to the school record system. This system provides parents with a very convenient way of reporting absences to the school. It is important that the message is replied to promptly to avoid your child receiving an unexplained absence on their record. An unexplained absence will be recorded if you have not responded within 5 days of receiving the message.

Of course, you may still advise of your child’s absence by telephoning the school or by sending a written note.

It is important that you wait for the text message from the school before sending your reply. The text message will include the date your child was away. Separate messages will be sent if you have several children away on the same day. Please reply to each message separately.

School Photos 2015

The date for the Ashford Central School photographs has been set for Wednesday, 11th March, 2015. Please ensure that your child wears school uniform on the day.
