Transition
Preschool- Monday

The school has reviewed our programs and the transition preschool day (Monday) will not be continuing in 2016. We are planning on using the funding within the school setting and to integrate more transition days throughout the year.

School Grounds – After hours Use

We would like to remind students about being on the school grounds out of school hours and during vacations.
Students are welcome to be in the school grounds in designated areas. These include the playing fields, COLA, basketball court and tennis courts.
No students should be in the paved areas of the school around buildings or on the roofs. Scooters, rollerblades and skateboards are not to be ridden around the building areas. Tables and stools etc are not to be used for jumps or for sliding along for the above mentioned activities.
The police have been informed of the above guidelines and they will move students on if they are in non-designated areas or behaving inappropriately in the school.
