Yellow Apron Catering
Last year, Ashford Central participated in a trial program with the Primary Music Institute. Our students were able to work through the piano program with well known Sydney music tutors via connected classrooms. This term we will be commencing the program and there will be limited places during school times. If you wish for your child to learn the piano in the program, the cost will be $14.50 per student per lesson. This is a fantastic opportunity for Ashford kids! The school is assisting students by providing text books and keyboards.

Enrolment details are available in the office at school. First in best dressed!

Swimming Success

The Ashford Central School 2016 Twilight Swimming Carnival was again an outstanding success. The evening was held last Thursday the 11th of February and saw many students and parents support the event.

The champions for the evening were as follows:

- Primary Junior Girl Champion          Storm Lavender
- Primary Junior Boy Champion          Leroy Dedula
- Primary Senior Girl Champion         Kali Lavender
- Primary Senior Boy Champion          Harry Schneider
- Secondary Junior Girl Champion       Hannah Drady
- Secondary Junior Boy Champion        Joe Luckett
- Secondary Senior Girl Champion       Shayla McClellan
- Secondary Senior Boy Champion        Jye Lavender
- Secondary Open Girls’ Champion      Chloe Lavender
- Secondary Open Boys’ Champion        Luke French

Congratulations to these champions and to all of the other students who participated in the event and contributed to their houses’ championship points.

This year, the teachers Vs community members Vs students relay was well supported and this year the teachers were clear winners (even without cheating).

This year’s winning house was Severn followed by Fraser and Macintyre respectively.

YEAR 9 FUNDRAISING BBQ

During the evening, the Year 9 students ran a BBQ to help raise funds to subsidise the purchase of their school jackets. The students raised $443 and would like to thank everyone who supported the BBQ and purchased their dinner at the event.

Last, but definitely not least, there are many thank yous to make to people for the time, effort and support that went into organising and running such a wonderful carnival.

- Lloyd Cook and Belinda Krauss for the organisation and preparation of the pool and Mick Hoynes for continuing to provide the facility.
- To all of the staff at Ashford Central School for their effort and support in the organisation and running of the carnival.
- To all the parents and community members for their support of the event and to those who provided assistance when required.
- To the Ashford Swimming Club for providing the opportunity for students to improve their swimming skills and fitness and to the students who participated in the evening.

Without just one of these individuals or groups of people we would not be able to conduct these types of events. Once again, thank you to you all, your help is much appreciated.

To comply with the Department of Education’s WHS policy, all parents who wish to see their child/ren during school hours are asked to sign in at the front office. Please note playground supervision does **NOT** start until 8.30am.

**Transition Preschool- Monday**

The school has reviewed our programs and the transition preschool day (Monday) will not be continuing in 2016. We are planning on using the funding within the school setting and to integrate more transition days throughout the year.

**School Grounds –After hours Use**

We would like to remind students about being on the school grounds out of school hours and during vacations.

Students are welcome to be in the school grounds in designated areas. These include the playing fields, COLA, basketball court and tennis courts.

No students should be in the paved areas of the school around buildings or on the roofs. Scooters, rollerblades and skateboards are not to be ridden around the building areas. Tables and stools etc are not to be used for jumps or for sliding along for the above mentioned activities.

The police have been informed of the above guidelines and they will move students on if they are in non-designated areas or behaving inappropriately in the school.

Dresses Wanted

Dear Community,

I currently reside at Earle Page College whilst studying at UNE Armidale. In 2016 I have obtained a position on the College’s Coast Run Committee which raises funds for the CMRI Sydney (Children’s Medical Research Institute). Since the commencement of this committee there has been over $400,000 raised for the institution.

Each year a member of the Committee organises a fundraising event known as Fashion Parade which involves college residents parading clothing from local Armidale stores. All clothing is carefully maintained and returned to participating stores once the event has ended. A particular routine which ends the night is bridal, this routine parades bridal wear including bride and bridesmaid gowns.

As Fashion Parade Coordinator for 2016 I am hoping to use vintage gowns as a way to present fashions of the past. However such an idea would require the generosity of individuals willing to lend their gown/s for the event.

I understand the priceless of these items and would ensure all gowns are not placed at risk of damage, that they are worn with care, and returned to their respective owner the weekend following the event. All gowns will be kept in my care at all times in a locked room and will not be altered in any way.

To accommodate for rehearsals and study I would like to have all gowns at least two weeks prior to the event if possible. Currently the event is set to take place on the 7th May 2016 therefore all dresses will be returned on the 14th May.

If you are interested in lending a gown/s for this event and would like additional information I can be contacted on 0437 626 441. Alternatively, I can be contacted via email at ebeverid@myune.edu.au.

Kind Regards,
